

AP ART HISTORY

This class is open to all grades, including Freshmen! Have you or will you take AP World, AP Euro, AP Art Studio or just interested in Art History? This is the class for YOU!

This is a college-level class in Art History. No drawing experience required and fulfills a fine art credit. Students will examine 250 works of art, this includes; architecture, paintings, archaeological finds, sculpture and drawings from all over the world. Looking at the elements of art and principles of design students will investigate artist intention along with historical and cultural contexts.

Passing the AP Art History test with a 3 or better is the equivalent of a two-semester college-level art history survey course, covering art from the Paleolithic era through today.

See Mrs. Min in Room P210 for more information about this course.
